A leadership training like you've never experienced before!

Kansas Youth Leadership Forum

for Students with Disabilities

Spend a week in the summer on a college campus and gain...

- New leadership skills to take back to your community
- Information about resources that will help you reach your goals
- Experiences that will help you speak out and advocate more
- Successful adult mentors who will support you
- A large new set of friends from all over the state
- Memories gained from our barbecue, talent show, dance, and more
- Tools, opportunities, and experiences that will change your life forever!
